**THE KANSAS MENTAL HEALTH COALITION ANNUAL
*MENTAL HEALTH ADVOCACY DAY***

**Thursday, March 18, 2010
Memorial Hall, 2nd Floor Auditorium
10th and Jackson, Topeka**

Join fellow consumers, family members, providers and advocates for a chance to become better informed about mental health policy issues in the Kansas legislature and to educate your legislators about the issues of the day.

Please make appointments now with your Representative and Senator to meet with them in Their *home office* before they come to Topeka.

They need to hear your perspective and concerns about mental health program budgets and policy issues.

For contact information about your elected officials, visit your local library or www.kslegislature.org.

For more information and to indicate your plans to participate on March 18th, contact Eric Harkness, boldrph@hotmail.com.
